Things Hidden: Scripture As Spirituality	978-0-86716-659-0	1	Richard Rohr	In this exploration of central themes of Scripture, Richard Rohr transforms the written word, discovering in these ancient texts a new and vital meaning, relevant and essential for modern Christians. He uncovers what the Bible says about morality, power, wisdom and the generosity of God in a manner that demands a life-changing response from believers.
The Naked Now: Learning to See as the Mystics See	978-0-8245-2543-9	1	Richard Rohr	Franciscan priest and spirituality author Rohr (<i>Everything Belongs</i>) again brings his energy to the reclamation of the Christian mystical tradition. He has a lot of scripture on his side, with many citations from the gospels and epistles. He also offers a distinctive definition of prayer as a nondualistic way of seeing the moment. To see as a mystic sees is to pray continually, as scripture enjoins. Some of his criticisms of institutional forms of religiosity as a barrier to seeing with insight are familiar.
Falling Upward: A Spirituality for the Two Halves of Life	978-0-470-90775-7	2	Richard Rohr	In <i>Falling Upward</i> , Fr. Richard Rohr seeks to help readers understand the tasks of the two halves of life and to show them that those who have fallen, failed, or "gone down" are the only ones who understand "up." Most of us tend to think of the second half of life as largely about getting old, dealing with health issues, and letting go of life, but the whole thesis of this book is exactly the opposite.

Just Walk Across the Room: Simple Steps Pointing People to Faith	978-0-310-26669-3	1	Bill Hybels	Evangelism is as simple and as scary as walking across the room, according to Hybels, well known senior pastor of Willow Creek Community Church in South Barrington, Ill. His heartfelt burden for sharing the Christian message is clear as he guides readers to a new understanding of why and how they can help others meet God. He offers solid advice on evangelism, yet does so without sounding like he's checking off items on a spiritual list. His form of evangelism is relational, what he calls "Living in 3D." Hybels enlarges on the three Ds—develop friendships, discover stories, discern next steps—in a clear, conversational way, all the while challenging Christians to move beyond their insulated "evangelism-void vacuum."

Moral Teachings of Jesus	978-0-687-03865-7	1	Foskett	In terms of Christian discipleship, morality is rooted in the imitation of Jesus' actions and teaching.
