

Kirk of Kildaire
Safe Gathering Task Force
Room Occupancy Limits for Selected Spaces
Phase 2.5 Addendum to the General Recommendations
Version 2.0 September 11, 2020

The occupancy limits are based on the Phase 2.5 Executive Order effective September 4; however, the overriding limit of that order is 25 per indoor space.

As a church, the Kirk can exceed executive order limits, but we generally follow them. **Thus, no group larger than 25 should plan a meeting or event in these spaces and the only rooms that can accommodate this number are the Fellowship Hall and the Sanctuary.**

If an event is planned outdoors, in case of unexpected inclement weather a group may seek shelter in these spaces but should not exceed the maximum occupancy level in the table.
