

**Kirk of Kildaire Room and Outdoor Capacity Limits  
Effective April 2, 2021**

The Governor has issued Executive Order #204 FURTHER EASING OF RESTRICTIONS which is in effect from 5 pm, March 26 to 5 pm, April 30. The Kirk, while not required to do so, generally follows the executive orders.

The new order calls for an indoor limit on mass gatherings of 50 people, and an outdoor limit of 100. A general limit of 12 people per 1,000 square feet applies indoors (now rounded up), except where there is a rated fire capacity. 6-foot social distancing is required both indoors and out, and the Kirk requires masks to be worn both indoors and out. (The outdoor mask requirement does not apply if people are outside on Kirk grounds but unlikely to encounter persons from other households.) The implications of the new rules are shown in the table below.

- The only room for which we have a rated fire capacity is the Sanctuary. The maximum occupancy for the Sanctuary is affected mostly by social distancing requirements.

**Phase 3 Expanded Occupancy Limits**

<b>Room</b>	<b>Sq. Ft.</b>	<b>Maximum Occupancy</b>
Outside	NA	100
Gathering Space	1548.6	19
Gathering Space Kitchen	238	3
C001	391	5
